Dear Parents:

Re: Book of the Month Club

The PTO is once again sponsoring Book of the Month Club for kindergarten through third grade beginning in February. Students who wish to participate will read a book every month, either on their own, or with your help. Each class will be given a grade appropriate book project report such as drawing a picture, writing out answers to open-ended questions, book reviews, etc.

This is a *completely voluntary* program. The projects will not be graded and do not count towards a student's grade point average. The goal is to encourage our children to read outside of their regular schoolwork and to express their ideas about what they read. The program will run February through May. Please look for the first "project" to come home in the backpack the first week in February. If a child has trouble completing his/her work, they can hand it in when completed. ***Students who complete all four months will receive a prize from the PTO.***

Please feel free to call me if you have any questions or concerns. My home phone number is 973-542-1450.

I appreciate your help in making this fun club a success.

Happy reading!
Diane Modica
