

The Yantacaw PTO is pleased to announce two amazing online shopping opportunities that raise money for our school throughout the year while helping care for people and planet.

Shop for gifts and everyday items from an array of useful and beautiful choices. Invite your friends and family to shop, too!

Greenraising offers a wide variety of terrific eco-friendly and Fair Trade products and gifts that will help you reduce, reuse, and recycle in style.

Shop www.greenraising.com, choose "Yantacaw School" as your affiliate in the shopping cart, and **our school will get 25% of all purchases (40% during special catalog drives).**

Global Goods Partners offers wonderful Fair Trade gifts for the whole family. Each handmade item comes with a description of the organization that crafted it and how it was made. All proceeds help to fund economic empowerment, education, and health care programs in the developing world.

Shop www.globalgoodspartners.org, choose "Yantacaw School" as your fundraising program in the shopping cart, and **our school will get up to 30% of all purchases.**

Green Tip: Don't throw out this flyer! Pass along to a friend, or use the other side for scrap paper, then recycle it.
