JOANNE COCCHIOLA  
Mayor  
Director of Public Affairs

Dear Nutley Students,

February 15<sup>th</sup> through February 21st, 2010 marks Random Acts of Kindness Week. Through performing acts of kindness, Americans demonstrate the compassion and thoughtfulness that make our Nation so great.

In honor of Random Acts of Kindness Week, I would like to recognize the Nutley youth that make our community such a special place to live. Doing small things such as holding the door for someone, visiting the elderly, saying please and thank you, helping a lost pet find its way home, and many other good deeds that children and young adults do for others is the recipe for a better world. When you are kind to others you have the power to “inspire by example.”

I am asking for your help to make kindness contagious by making an effort to complete 10 random acts of kindness, be it big or small. Help us reach our goal of 10,000 acts! And remember to be creative and thoughtful!

Please fill out the bottom of this sheet with 10 acts of kindness that you performed from February 15<sup>th</sup> thru February 21st and return to the Office of the Mayor by mail, fax, or by completing it online via our Township website ***no later than February 26<sup>th</sup>***. Forms are available at [www.nutleynj.org](http://www.nutleynj.org). Your acts of kindness may be featured on the Nutley website.

Sincerely,

Joanne Cocchiola  
Mayor

Remember to list the R.A.K.E. program if you worked with Commissioner Scarpelli and helped rake leaves for the seniors in our community!
