Nutley, New Jersey 07110

Inhaler Waiver

_____, as guardian for the minor child
_____, hereby agrees that neither the Nutley Board of
Education nor any of its agents or employees (“Board”) shall be liable as a result of allowing the
minor child to self-administer an inhaler, with the written permission of the physician during
school hours on school property. If the medication is in the nurse’s office, the principal or
designated employee(s) may retrieve the medication and hand it to the student.

I, _____, hereby waive, knowingly and voluntarily, any
claims against the Board based upon the minor child’s using an inhaler on school property and at
school sponsored activities.
