December 1, 2020

Dear Nutley Parents, Staff and Community,

As you have been made aware, Nutley Public Schools applied for and have been approved by the New Jersey Department of Agriculture to provide all resident children under the age of 18 with breakfast and lunch. This program has been on-going since March 2020. We have now been able to extend our program through June 30, 2021.

With students and staff returning to virtual instruction, **meal pick-up will resume today, Tuesday, December 1, 2020** at John H. Walker Middle School. Curbside pick-up of meals will take place outside of the Middle School gym. Please access the drive-through by entering from Hillside Crescent (off of Chestnut Street). Contact free pick up is available by allowing access to the trunk of your car. If you are walking up, please wear a face covering at all times.

**Pick up is between 10:00AM and 1:30 PM on Tuesday and Fridays.**

- When possible, last names beginning with letters A-M should pick-up between 10:00 AM and 11:30 AM
- . When possible, last names beginning with letters N-Z should pick-up between 11:30 AM and 1:30 PM
- Any child under the age of 18 can pick up the meals for the family. Students will receive lunch and breakfast for each day covering Monday through Friday. Volunteers will have families sign for the meals and maintain the roster.
- Any adult 18 years or older who is requesting meals will be required to show proof of Nutley residency (driver's license, utility bill, lease document, etc.) and provide children's names and ages. Failure to provide the necessary Nutley residency documentation will result in a denial of grab and go meals.

No resident will be denied services, as we continue our partnership with the Nutley Family Service Bureau. The Nutley Family Service Bureau maintains the community food pantry responding to the needs of those among us who experience food insecurity. If a person or family needs additional food support, they are instructed to call 973-667-1884. Information is also available on the NFSB website, <https://www.nutleyfamily.org/food-pantry>.

All Nutley resident children under the age of 18 regardless of school or eligibility for free/reduced lunch are able to be provided with fresh grab and go meals by our food service provider Pomptonian at the distribution location.

Sincerely,

Dr. Julie Glazer
